Employees: 12

Business Hours: 8:30 am-4 pm Monday
through Thursday 8:30 am 12 pm Friday

Service area: NH, MA, ME, NY, CT

- Great Home Design – so our homeowners are proud and happy to call their house “Home”.
- Owner Empowerment – so our builders and homeowners are respected. A lot of our process, from the use of 3D software to our interactive design sessions, is designed to help you understand the design and enable you to make informed decisions.
- Current drawings – that are clear, use current building codes, adapt for local snow loads, etc. – so you can actually build that great design.
- Excellent Prices – so our services actually fit within the budget.

- Efficient Times – that are measured in days and weeks, not months.

Art Form Architecture was founded by architect Wendy Welton in 2000 and incorporated in NH in 2001. Our focus is primarily residential with select commercial projects. Artform Home Plans is a division of Art Form Architecture, Inc., based in North Hampton, NH, owned by architect Wendy Welton. Art Form Architecture, Inc. provides full service for residential, multifamily and commercial projects. We use the name Artform Homes Plans for our predesigned home plans web site to comply with licensing laws outside our areas of licensure. Artform Home Plans provide customization and fully custom design as well.

**Thank you Melissa Royer
Photography for this latest photo of
the North Hampton Town Hall! This
photo will be on the cover of our
NHBA brochure to be published
next month!**

**The brochure will feature a list of all
our NHBA members by category!!**
